### Beschreibung

Die zuverlässige Wiederkehr der Jahreszeiten ist für Goethe ein wichtiger Faktor der Stabilität. In persönlichen Texten wie dem Brief oder dem Tagebuch, in autobiographischen Erzählwerken, aber auch in der Lyrik und den Romanen spielen die Jahreszeiten eine höchst erstaunliche Rolle. Der Herbst ist für ihn die Jahreszeit der Reisen, manchmal des Schreibens, nicht selten des Weines, aber natürlich auch der reifenden Natur gewesen, die er in seiner Jugend, in Weimar oder in Italien jeweils anders erlebt hat. Zuletzt ist der Herbst des Alters für den Menschen und den Naturforscher Goethe ein Thema gewesen.

Close cooperation. Optimum outcomes. Why our law firm works so effectively for our clients, you ask? Well, optimum advice can only be offered by those who have a broad understanding of multiple legal and business management issues on the one hand and a mastery of the specialist fields required on the other.

The most appropriate and efficient way of correcting this problem is using braces and a Herbst appliance. At many other orthodontic offices, patients that have large overbites are often treated with braces and a “headgear.” At Harris Orthodontics, we do not commonly use headgears – not because they do not work, but rather.
