20 Oct 2015 . The treatment is simplicity itself: save for an early scene in which Georges and Anne – retired music teachers – go to a piano recital, the entire film takes ... The film is a sharp portrait of the slippery ambiguity with which myth takes hold, and in that sense bears a superficial resemblance to Arthur Miller's *The*.

The work of Friedl Kubelka (Austria) also gives rise to admiration along with fear (or rather, respect): she has photographed her daughter every Monday from her birth to the age of 18. The result is more than 900 pictures, which, taken together, form a "portrait" of Louise Anna Kubelka, tracing her growth and development.
