Beschreibung

An exciting portrayal of Germany's "residence of Jurisdiction" from the banks of the Rhine up to the villages nearby. The whole atmosphere of the fan-shaped city with its buildings from the times of classicism until our days is captured in impressive pictures. In their photographs, ONUK Bernhard Schmitt and Andreas Keil present the city's current face. Essays written by Michael Hübl reveal the backgrounds of history, arts and culture of Karlsruhe, completing this splendid illustrated book.

I would like a city which welcomes me with open arms. I would like to discover what lies behind its walls and gates, to find its heart and to lose my heart to it. Whether my main interest is economics, culture, night-life or nature – my city is always there for me. I imagine being able to explore the world from Karlsruhe.
