Beschreibung

Was passiert, wenn der Untergrund zum Mainstream wird? Wird alles anders, oder bleibt es so, wie es immer war – und nur die Namen der wichtigsten Akteure haben sich geändert? Vor dem Hintergrund der weltweiten Veränderungen in der Musikindustrie – Stichworte: Internet, Download, P2P – haben sich die Akzente zwischen den Polen Major-Companies und Independents verschoben. Die Majors bestimmen nicht mehr alleine den Markt; Die Rolle der Independentfirmen und –künstler wurde dermaßen aufgewertet, dass man von einem Paradigmenwechsel sprechen kann. Indie ist der neue Mainstream; Indie-Rock ist damit auch das schicke neue Accessoire für Leute, die noch vor ein paar Jahren Kylie Minogue gehört haben. Im Jahr 2005 schaffte die so genannte –New Wave Of British New Wave– den Durchmarsch an die Spitze der internationalen Hitparaden; Gruppen wie Franz Ferdinand oder Kaiser Chiefs erreichten ein breites Publikum. Doch zu welchem Preis und mit welchen Folgen?

In seinem Buch geht Albert Koch den Folgen dieser Entwicklung nach. Dabei kommt er zu dem Schluss, dass die großen Plattenfirmen die –neue Welle– womöglich schon ein Jahr danach wieder tot reiten. Und er fragt nach den Auswirkungen des Indie-Booms auf die grundsätzliche Funktionalität von Popmusik und Techno: Was ist dann noch Indie, wenn

Indie zum Mainstream wird? Was passiert in diesem Zusammenhang mit der elektronischen Musik? Und inwieweit zeigt sich das Publikum dem musikästhetischen Diskurs überhaupt aufgeschlossen?

Diese und andere Fragen diskutiert Albert Koch in Interviews mit Künstlern wie Adam Green, dem DJ und elektronischen Musiker Chris de Luca (Ex-Funkstörung), Mayo Thompson, dem Kopf von The Red Krayola, der ältesten Indie-Band der Welt, sowie mit der ehemaligen „Fast Forward“-Moderatorin Charlotte Roche. So entwickelt sich ein grundsätzlicher Diskurs über das Verhältnis von Independent und Mainstream.

17 Aug 2005 . And if you haven't bought into his carefully marketed self-destructive image yet, perhaps the title of his latest single will convince you. 'Fuck Forever' is the kind of aphetically cool song that will appeal to droves of adolescents who hate school and think their parents are dinosaurs. In a nutshell: rock'n'roll.

How d'you choose between death and glory? / How d'you choose between death and glory? / Happy endings don't bore me / Happy endings, they never bored me / They, they have a way / They have a way to make you pay / And to make you toe the line / Sever the ties / Oh I'm so clever / But clever ain't wise / Fuck forever

Fuck Forever This song is by Babyshambles and appears on the album Down In Albion (2005).

4 sept. 2005 . Babyshambles - Fuck Forever. What Im saying, what i'm saying. Whats the use between death and glory? I cant tell between death and glory? Happy endings, no, they never bored me. Happy endings, they still don't bore me. But they, they have a way. They have a way to make you pay. And to make you.

23 Feb 2012 . We must all be eunuchs when we play videogames, inhabiting stories where sex is an invisible phenomenon, a religious spirit that everyone accepts is there in the chapel, stirring the air behind the confessional curtain. Yet it never becomes visible, we're given no instruments to act with when the impulse to.
