Beschreibung

Über Jahrzehnte hin nahmen große Teile der deutschen Gesellschaft die Entwicklung in der Republik Mali kaum wahr. In politisch interessierten Kreisen galt der westafrikanische Binnenstaat bis zur Krise von 2012 als politische »Vorzeigedemokratie« in Afrika. Nur wenige kulturinteressierte Reisende und moderne Abenteurer hatten jedoch zuvor die Große Moschee des UNESCO-Weltkulturerbes in Djenné aufgesucht, das legendäre Timbuktu besucht oder sich von der atemberaubenden Schönheit der unendlich wirkenden Wüste berauschen lassen. Mit dem Aufstand bewaffneter Gruppen im Norden des Landes und dem Militärputsch in der Hauptstadt Bamako im März 2012 änderte sich die Situation schlagartig. Der Einsatz französischer Streitkräfte im Januar, die Entsendung einer europäischen Ausbildungsmission (EUTM Mali) im Frühjahr sowie die Aufstellung einer robusten Mission der Vereinten Nationen (MINUSMA) im Sommer 2013 dynamisierten die Entwicklung schließlich noch weiter. Mali trat in das Blickfeld der Weltöffentlichkeit und wurde durch die Entscheidung des Deutschen Bundestages zum Einsatzgebiet der Bundeswehr. Der vorliegende Band verschafft das notwendige Hintergrundwissen, ohne das die aktuellen Ereignisse nur schwer einzuordnen sind. Mit dem »Wegweiser zur Geschichte: Mali« führt das Zentrum für Militärgeschichte und Sozialwissenschaften der Bundeswehr in Potsdam, das 2013 aus dem Militärgeschichtlichen

Forschungsamt hervorgegangen ist, seine erfolgreiche Buchreihe fort. Die Bände bieten kurzgefasste, allgemeinverständliche und zuverlässige Informationen über die historischen, politischen sowie kulturellen Zusammenhänge in Krisenzonen, die in den Schlagzeilen der Weltpresse auftauchen. Namhafte Fachwissenschaftler und andere ausgewiesene Sachkenner stellen die Entwicklungen bis zur Gegenwart übersichtlich dar. Alle Bände sind durchgehend mit farbigen Karten und Abbildungen sowie einem Serviceteil ausgestattet, der eine Zeittafel, Literaturtipps und Internetlinks umfasst.
