Beschreibung

Bei der Suche nach sozial und ökologisch tragbaren Lösungen der Agrarfrage wird Agroökologie als global kompatible Lösung gehandelt - deren Umsetzung würde jedoch eine Umstrukturierung des derzeitigen globalen Nahrungsregimes bedeuten. Kuba gilt in der agroökologischen Szene als Musterbeispiel, da es aktuell kein anderes Land auf der Welt gibt, das agroökologische Prinzipien in seiner politischen Agenda verankert. Durch die "Campesino a Campesino Bewegung der ANAP" werden diese seit den 1990er Jahren weiterentwickelt. Gegenstand dieser Arbeit wird es sein, die Bedingungen des Transformationsprozesses der kubanischen Landwirtschaft zu betrachten. Dabei sollen internationale und nationale Wechselwirkungen analysiert werden, die zu der heutigen Landwirtschaftsform geführt haben. Expert_inneninterviews mit kubanischen Wissenschaftler_innen geben Hinweise auf zukünftige Entwicklungen der Agroökologie in Kuba und führen zum Schluss, dass die Campesino a Campesino Bewegung den Druck auf Entscheidungsträger_innen erhöhen muss, wenn eine Rückkehr zum konventionellen Modell verhindert werden soll.

23 Jul 2012 . Playa Costa Verde is a Cuba all-inclusive resort that rests on the beautiful, white-sand beaches of Holguin. It features a free-form swimming pool, wedding gazebo, lots of water sports, and even a piano bar! Here's what Lee, from Ottawa, had to say about her recent Cuba all-inclusive vacation: Hi, April,

19 Jun 2017 . At the end of 2011 my wife and I decided that after calling at a number of Caribbean resorts for only a few hours on cruise ships that we would like to try a two week holiday. So we booked a two week holiday with Thomas Cook to Veradero in Cuba at the Iberostar hotel which we have tried before and really.
