Both of the "major" 2004 presidential candidates were inducted into one of the country's most infamous secret societies, Skull & Bones at Yale University back in the 1960s. Just think about

the odds—out of approximately 800 Bonesmen alive today, two of them ran against each other for president of the United States—out of.

13 Feb 2017 . The Skull & Bones Society has been described as the most secretive organization in the world.

Considering it's a "secret society," quite a bit seems to be known about Skull & Bones, including its history and alumni, you know, how like Area 51 is the U.S. government's "secret" UFO and special aircraft testing ground that pretty much everyone on the planet knows about. Essentially, Skull & Bones was formed in 1832.

call it a tomb. It's the citadel of Skull and Bones, the most powerful of all secret societies in the strange Yale secret-society system. For nearly a century and a half, Skull and Bones has been the most influential secret society in the nation, and now it is one of the last. In an age in which it seems that all that could possibly be

Yeah because the people who loved and constantly praised AC4 wanted a spinoff that's only online with no on ground combat. Really makes ya think. Naval combat wasn't the ONLY reason people liked AC4 it was kind of the whole experience. I'm not saying make the game another assassins creed where you're climbing.
