Many people may be unaware of the lead poisoning risk, in adults and children, from an avoidable source: traditional eye cosmetics containing kohl, kajal, al-kahal, surma, tiro, tozali, or kwalli. The following information is intended to answer questions people may ask about these products and their dangers:.

Gloom prevails as Germany remembers fall of the wall. Germany's former chancellor Helmut Kohl yesterday admitted that 15 years after the demise of the Berlin Wall the divisions between east and west Germany ran "much deeper" than he had originally anticipated. Published: 10 Nov 2004. Gloom prevails as Germany.

While broadly interested in ecology and evolution, Dr. Kohl's research tends to focus on the physiological ecology and microbial ecology of the digestive system. He is especially interested in how hosts' ecology and evolutionary history shape their digestive physiology and interactions with their gut microbial communities.
