Beschreibung

Spezifisch für die als „Narragramme“ bezeichneten Grafiken und Malereien von Kati Küstner sind erzählerische Techniken. Der Trickster, die Schelmenfigur der nordamerikanischen Indianer, wandert, als Schöpfer und Zerstörer zugleich durch die Welt, ist Betrüger, der selbst immer betrogen wird. Der neueste Zyklus „Aber Großmutter, was hast du für ein entsetzlich großes Maul!“ zeigt die Auseinandersetzung der Künstlerin mit Geschlechterbeziehungen in der Kinderliteratur. Die Werke sind in der für Kati Küstner charakteristischen Spachteltechnik in Acryl, in großformatigen Tafelbildern gearbeitet. Beim Betrachten der Narragramme Kati Küstners verharret das Auge nicht nur im Genuß der Farben, es wird von rätselhaften Figuren angezogen. Die Bilder treten in Austausch mit dem Trickster, der Narrenfigur, von der die nordamerikanischen Ureinwohner erzählen.

In den Arbeiten zu Olivier Messiaens Orgelkonzert „La Nativité du Seigneur“ wird die schöpferische Kraft der Geburt des Herrn sichtbar gemacht.

Der Zyklus „Aber Großmutter, was hast du für ein entsetzlich großes Maul!“ bringt Macht- und Geschlechterverhältnisse ans Licht, die in den Märchen der Gebrüder Grimm verborgen sind.

Dieser Band veröffentlicht die als Bildtafeln gestalteten Narragramme gemeinsam mit den

zugrunde liegenden Geschichten.
