Secret Sedona: Sacred Moments in the Landscape takes the reader on an armchair journey to special places resonating with the intimate spirit of nature and ancient peoples. The monumental landscape embodies secret waterfalls, meadows embroidered with delicate wildflowers, ancient cliff dwellings, and many more "oh-wow" scenes of canyons, mesas, and sandstone wonderlands. Vignettes written by the author-photographer share his wilderness experiences of seeing fog dancing with the red rocks, encountering a rattlesnake on a cliff ledge, smelling the warm summer fragrance of a wild cliff rose, and visiting places occupied by ancient peoples. Contents will appeal to readers who enjoy the works of writers such as Mary Austin, Jon C. VanDyke, Barbara Kingsolver, Aldo Leopold, and Ann Zqinger.
